great measure taken the place of this
form of amusement, says the Courier-
Journal.

STRIKE SITUATION BAD AT PORTSMOUTH.

George D. Selby and his son Pearl E.
Selby, owners and managers of Port-
smouth's largest shoe plant, Friday were
surrounded by a howling mob of men,
women, boys and girls. They had only
about a square and a half to drive to
their home. The mob pelted the auto
with stones. Warren Hartz was at-
tacked, but police and his active legs
saved his bacon.

George Suther's moving van was at-
tacked because it was supposed to con-
tain strike-breakers.

Some of the windows in the Selby
plant were broken.

Two men were seriously injured.
It begins to look like the militia
will have to be called out.

RUMOR OF PRESIDENT STEVEN'S DEATH GROUNDLESS.

(Ashland Independent.)

The misreading of a telegram mes-
sage was responsible for a rumor that
Geo. W. Stevens, of the C. & O., was
dead.

Geo. W. Stevens, Jr., who was in
Huntington last night was sent a mes-
sage which said:

"Father said come to Clifton Forge,
sweet party there."

PAUL STEVENS.

This message was telephoned to the
Huntington hotel, where Mr. Stevens,
Jr., has rooms. The clerk interpreted
the message:

"Father dead. Come to Clifton
Forge. Meet party there."

In this way the rumor from appar-
ently best sources originated.

Mr. Stevens, Jr., did not know that
the report was false until he reached
the station and received the correct in-
formation from the operator.

Don't Lose Hog Profits

Every single worm that lives in one of your hogs is eating
up some of your profits--worms breed so fast that before you know
it there are millions of them and pretty soon the whole drove is infected.
Don't feed these parasites--kill them--expel them. Nothing is so quick
or so sure as

SALVET

This remarkable med-
icated salt will destroy
every last worm in your
hogs, sheep, and all
other stock.

It is a wonderful tonic and conditioner, and will positively prevent infection.
It goes direct to the worms--kills them--expels them--leaving the animal's
stomach and intestine in prime condition, so that every ounce of food the
animal eats goes to make a profit for you. Costs only 1-1/2 of a cent per day
per head to feed.

Salvet is manufactured by the S. H. Fell
Company, Cleveland, Ohio.

Farmers

Have you ever tried our way
of borrowing money to pay for
a farm

You, of course, know that
most farms are sold for one-
third cash and the balance of
the payment is represented by
lien notes due in one and two
years. You also know that
there are times when it is im-
possible to pay these notes
when they become due.

Our specialty is lending
money on good farms for
LONG PERIODS. Wouldn't
you rather have five years to
pay the balance than two years?

Any one expecting to buy
farms this March will do well
to come in and consult us about
getting the money.

We have been giving satis-
factory service for 24 years.
